National Interstate Is a 2023 NorthCoast 99 Award Winner For the 12th Time

National Interstate Insurance Company, and its subsidiary, Vanliner Insurance Company, is proud to announce that it has been named a 2023 NorthCoast 99 award winner by the Employers Resource Council (ERC). This is the twelfth time National Interstate has received this prestigious award which recognizes 99 workplaces in Northeast Ohio that attract, acquire, and retain top talent. This recognition is a testament to our employees, who continue to exemplify our core values and who continue to make National Interstate a place where we love to work.

A handful of national Interstate employees attended the NorthCoast 99 Award ceremony where they represented our talented workforce and networked with other winning organizations.

NorthCoast 99 winners participated in a rigorous application process that required detailed company information such as how organizations address top-performer attraction, development, and retention in the areas of organizational strategy, policies, and benefits; talent attraction, acquisition, and onboarding; employee well-being; employee engagement and talent development; total rewards; and diversity, equity, and inclusion.
