

National Interstate's Waste Operations Team

Dave Slisz, AVP of Environmental Transportation

Graduate of Mercyhurst College, ARM and CPCU designations

Dave enjoys spending time with his two boys, coaching soccer and cycling in his free time.

Lauren Fronczek, Environmental Business Development Manager

Graduate of Penn State University, ARM designation, working toward CPCU

Lauren enjoys spending time with her family, cross fit, reading and cheering on the Pittsburgh Steelers.

Erin Shue, Business Development Specialist II

Graduate of John Carroll University

Erin enjoys reading a good book, spending time with friends, playing with her dog, Fitz and re-purposing flea market finds.

Jennifer Boyd, Business Development Specialist II

Graduate of Kent State University

In her free time, Jennifer enjoys completing home renovation projects with her husband. She also likes to bake and frost cupcakes made from scratch for her family.

Faraz Shahid, Product Management Associate

Graduate of Institute of Business Management (Pakistan), working toward ARM designation

Faraz enjoys playing cricket, tennis and spending time with his family.

Joe Silvestro, Underwriter

Graduate of Michigan State University

Joe enjoys rooting on Cleveland sports teams, reading history books and playing tennis.

Jennifer Hensley, Product Technician II

Graduate of Kent State University

Jennifer joined the company as a customer service representative and we were lucky enough to move her to our team. When she has a chance, she enjoys visiting museums and parks.

Matt Amos, Underwriter

Graduate of The University of Akron

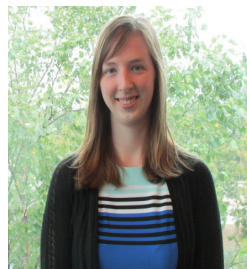

Matt enjoys reading the classics, hiking, running and spending time with friends.

Adrienne Chance, Product Technician I

Graduate of Kent State University

Adrienne started as a customer service representative, but in 2015, she transitioned to our team. During her free time she enjoys reading and participating in family functions.

Erin Flanagan, Product Technician I

Graduate of Kent State University

Erin enjoys playing volleyball, bowling year-round and is an avid pet-sitter. She is also a devoted Cleveland Indians fan.

Melody Maddamma, Product Technician I

Working toward BBA from Indiana Wesleyan University.

Melody loves music (especially the classics), good movies, cooking, baking, spending time with her family and the Cleveland Indians.

ENVIRONMENTAL

Program Advantages

Expertise - Since 1989, we've offered wheels-based insurance products. We have extensive underwriting experience specific to Waste Operations.

Stability - National Interstate is rated "A" (Excellent) IX by A.M Best Company.

Multiple Product Offerings - We offer products tailored for accounts of all sizes (starting at five units). Our energy portfolio includes traditional, guaranteed cost and Alternative Risk Transfer (ART) solutions.

Risk Management Services - Clients of National Interstate have access to loyalty programs and an exclusive risk management website (www.natlriskmgmt.com) featuring a comprehensive suite of high-quality risk management tools.

Favorable Payment Options - We offer finance-free, direct bill payment options that are interest free.

Association Involvement - National Interstate is involved in many different associations and attends both national and regional trade shows throughout the year. Please make sure to stop by and meet us at your next event!
