

Cleveland.com and The Plain Dealer Name National Interstate Insurance Company a Winner of its 8th Northeast Ohio Top Workplace Award

National Interstate Ranks #2 Among Large Companies in Northeast Ohio

National Interstate has been awarded a Top Workplaces 2023 honor by cleveland.com and The Plain Dealer for the 8th consecutive year. Moreover, National Interstate ranked #2 among large companies with over 500 employees in Northeast Ohio and received a Specialty Award for Direction, which recognizes a company whose employees invest more of themselves because they believe in the direction set by senior leadership.

The Top Workplaces list is based solely on [employee feedback](#) gathered through a third-party survey administered by employee engagement technology partner [Energage](#) LLC. The anonymous survey uniquely measures 15 culture drivers that are critical to the success of any organization: including alignment, execution, and connection, just to name a few.

"Earning a Top Workplaces award is a badge of honor for companies, especially because it comes authentically from their employees," said Eric Rubino, Energage CEO. "That's something to be proud of. In today's market, leaders must ensure they're allowing employees to have a voice and be heard. That's paramount. Top Workplaces do this, and it pays dividends."
