

A DIGITAL INSURANCE EXPERIENCE BUILT AROUND YOU

Designed with your unique business needs in mind, CoPilot will maximize your experience with National Interstate and Vanliner by providing instant access to the valuable information you seek most.

How CoPilot Will Help You!

- **Single Sign-On:** CoPilot merges all existing company portals into one, accessible via desktop or mobile device.
- **Real-Time Account Dashboard:**
 - Customers can access a consolidated view policy and claims data for quick analysis.
 - Producers can access a holistic view of their book of business, including premium metrics, policy information, and a submission tracker.
- **Interactive Tools:** Access and share information, including building custom reports, FMCSA data, loss control training, bill pay, AER video sharing, and claims reporting.
